↖ utsab adhikari   ○ utsab1231   in utsab01

👤 Profile

Motivated and adaptable Computer Engineering student with a strong passion for continuous learning and a profound curiosity for technology. Particularly skilled in web development and Big data, I am enthusiastic about applying my abilities and determination to excel in the ever-evolving field of web development and data science.

🎓 Education

IOE PURWANCHAL CAMPUS
Bachelor of Computer Engineering
2019 - 2023 | Dharan, Nepal

Sagarmatha Multiple Campus
+2 Science (National Education Board)
2017 - 2019 | Kathmandu, Nepal

📁 Projects

TODO App ⧉
  A full-stack app for creating and updating todo with authentication features.
  - Live Site : https://todoapp-utsab.netlify.app/ ⧉
  - Github : https://github.com/utsab1231/Todo-app- ⧉

BookStore App ⧉
  A full-stack app for storing information about books of your interest.
  - Live Site : https://bookstore-app-utsab.netlify.app/ ⧉
  - Github   : https://github.com/utsab1231/book-store-app ⧉

Movie API ⧉
  An API integrated with MongoDB to perform CRUD operations on a movies database .
  - Github   : https://github.com/utsab1231/movie_api ⧉

🏆 Professional Development

Major and Minor Projects
  Major and Minor projects on machine learning and AI and Big Data as per University requirement.

Database management system
  Have basic insight on database structure and management as per university syallabus

Networking Concepts
  Practical Approach about networking ,subnetting dns as per engineering syallabus.

Football and Cricket Winner
  Finished as winner in team sports held in University

🧠 Skills

JavaScript
Proficient in modern ES6+ features and skilled in DOM manipulation.

Node and Express
Skilled in high-performance web app and API development, with expertise in async and RESTful design.

Github and Git
Proficient in Git and GitHub for effective version control and collaboration.

SQL
Proficient in writing complex SQL queries, data retrieval, and database management, with experience in MySQL.

React
proficient in creating reusable components, implementing state management, and handling data flow effectively within applications.

🧩 Interpersonal Skills

Collaborative Mindset

Fluent Communication

Networking (VPN , DNS)

Excel, PowerPoint, Word

🎸 Interests

Football   Videography

Cyber-Security   Music

Anime

📑 Certificates

Responsive Web Design(FreeCodeCamp) ↗ • JavaScript Algorithms and Data Structure ↗
